EXPERIENCE

Erin Condren, Austin, Texas
Financial Analyst, August 2018 – Present

- Responsible for producing and managing the company-wide budget, involving the collaboration with department directors in obtaining forecasted sales and expenses.
- Support the finance director in the integration and implementation throughout the company of Adaptive Insights, financial software used for budgeting and reporting purposes.
- Assist in the production of month-end financial reports, consisting of creating and maintaining Adaptive Insights models used for organizing and presenting financial results, along with the analysis and explanations of variances.
- Assist with any ad hoc reporting needs, pulling data from multiple systems.

L3 Technologies, Greenville, Texas
Program Controls Analyst, August 2016 – August 2018

- Responsible for researching and analyzing data to aid the overall goals of various programs by tracking the budget, forecasting financial needs, monitoring and reporting actuals while explaining variances to the forecasts, and doing ad hoc data analysis for program and business managers.
- Maintaining complex Excel models, using macros, for the five year forecast.

Innovation First International – REC Foundation, Greenville, Texas
Finance Manager, September 2015 – August 2016

- Head of the accounting/finance department, overseeing three individuals, responsible for financial reporting, administering payroll, managing the completion of tax and audit obligations, and any ad hoc data analysis and reporting.

Innovation First International, Greenville, Texas
Financial Analyst, March 2014 – September 2015

CERTIFICATIONS

Certified Management Accountant (CMA), August 2016
